

WasteOnline App Benefits

- Text message updates
- Email updates
- Booking efficiency
- Time saving
- Amendment functionality

WasteOnline App can't be downloaded from app store, but can be added to your home screen just like a normal app. This process varies from device to device, however two common versions are explained below.

Getting Started

To get started with WasteOnline you just need to go to the website. Use your login details to gain access.

Apple iOS (Safari)

To add WasteOnline to your home screen simply visit wasteonline.uk

- ↑ Tap the Share icon at the bottom of the screen.
- + Then scroll down and tap 'Add To Home Screen'.

From this point on you will be able to use Wasteonline just like a normal app!

The app icon will now appear on your phone homepage.

Android (Google Chrome)

To add WasteOnline to your home screen simply visit wasteonline.uk

- ⋮ Tap the three dots in the top right of the screen
- + Then tap 'Add to Home Screen', followed by 'Add Automatically'.

From this point on you will be able to use Wasteonline just like a normal app!

The app icon will now appear on your phone homepage.
